

Northwest Chapel Prayer Guide

June 2024

Corporate Prayer:

Every Sun. 8:30 a.m.—Room 118

A. Connections

- Pray for all the newcomers and visitors to NWC to feel welcomed.
- Pray that they will find a place to connect and serve with other believers.
- May our Connection Room be used as a place of prayer and engagement.

B. Community, U.S. and World

- Our Leaders: Pres. Biden, V.P. Harris, Congress and Gov. DeWine
- Local church: **Dublin Presbyterian Church**
- Foreign Country: **Taiwan**— It's appears that China might try to invade and recover this island nation. Please pray as the U.S. has promised to protect the people from being assimilated into China's Communist party.
- Persecuted Country: **Indonesia**— This is a hostile region for the spread of Christianity as it has the largest Muslim population in the world. The violent attacks on Christians have lead many to question Islam and be more open to the gospel. Pray for boldness, while it is still legal to evangelize, though difficult and dangerous.

C. Martin and Kristy Guerena— Vision Latin America

- Thank God for two new Bible studies—one in Canaan mobile home park and one in Plumwood, specifically aimed at the Hispanic population.
- Please pray for upcoming trips to CA, Mexico, Washington D.C. and Cuba. Asking for lasting eternal impact and encouragement and development of church leaders. Pray for protection and boldness.
- Thank God that we saw twenty-five new churches planted in 2023 in Mexico, Cuba, and in Hispanic parts of the U.S. Continue to pray for their growth and community outreach with the gospel.
